Hi Carol -

Nhien mentioned that you had asked her what each BID was contributing. That info isn't public, but we would assume DCBID would want to be at the Exec Level and all other BIDs are paying comparable dues. Given your history with CCA and size of the BID, I would hope out of anyone you would want to participate and continue attending mtgs and such. Let me know.

Best,

Jessica Lall

Subject: CCA dues

Hi ladies -

I realize that the DCBID hasn't traditionally contributed dues Bc of the nature of the relationship. Given the changes, I'm hoping for full BID participation and we are almost there, we just need DCBID. I know I don't need to elaborate on the importance so am copying Nhien in the hopes that we can get you current and going.

Thanks,
Jessica
